

“Jeremy’s coaching success comes to me as no surprise. In college, I watched Jeremy lead his team to the 1996 NATIONAL CHAMPIONSHIP. However, what stood out to me beyond his skill level was his incredible passion for the game. It is very clear that Jeremy has brought this same passion to the development of his teams and his camps. Jeremy’s attention to detail and firm commitment to create an environment where players truly develop their game has allowed his Academy to prosper. Jeremy’s track record of producing winning teams is remarkable. In watching Jeremy coach both his high school and youth teams, I am most impressed with his ability to get the most out of his players. I fully endorse his Academy as one that will not only develop high caliber players, but also be a lot of fun.”

The Jeremy Beardsley Soccer Academy is designed to develop, improve, and prepare the serious soccer player for success. Players will receive valuable exposure in a competitive and enjoyable environment. It is our goal to foster an atmosphere that will allow each player to develop technically, tactically, physically, and psychologically. We hope to create a spirited, energetic, and fun soccer experience for all our campers.

A special feature of the Jeremy Beardsley Soccer Academy is the Soccer Olympics. This event takes place on Friday afternoon before the closing ceremonies. Campers are broken into new teams made up of campers of varying ages and genders. After the completion of the opening ceremonies, campers will rotate through specially designed activities that test their soccer skill and overall teamwork. Points will be tabulated and an *Olympic Championship Team* crowned. The Soccer Olympics allow for great relationships to be created among various campers. The events are truly a highlight of the Academy.

The Academy will also offer goalkeeping training specifically tailored to the unique needs of the position. The goalkeepers will train together in the morning under the guidance of our goalkeeping coach. In the afternoon, goalkeepers will be sent back to their appropriate age level/skill level to train with the field players. This will give them the opportunity to apply some of the technical work from the morning to game situations.

As an added, unique bonus, Jeremy Beardsley Soccer Academy has again partnered with the SOURCE Institute for Human Performance. The SOURCE is a strength and conditioning company that emphasizes personal development through physical activity, self-awareness, and athletic performance. The SOURCE Institute leads the exercise and wellness industries and consists of the most highly educated physical preparation coaches, corrective exercise specialists, and experts in motivation available – anywhere.

Jeremy Beardsley

Director, Jeremy Beardsley Soccer Academy

Welcome to the fourth year of the Jeremy Beardsley Soccer Academy. During the last three summers, the Academy has created a memorable soccer experience in Montgomery. Last year, with great success, we launched a second week in Flemington at Hunterdon Central High School. The events of these weeks produced so many wonderful memories, both for campers and staff members. I am eager and thrilled to build on the amazing success of the previous summers. Our curriculum is designed to push and develop each player to reach his or her maximum potential. It is also very important to the staff that, while developing each player, we create an environment that encourages competition and fun. A sense of love and passion for the game is vital to player development. Indeed, it is the fusing of these important aspects that make these weeks so memorable.

Our staff is experienced on the youth, high school, and collegiate level. Most are educators, in addition to coaches. They all have a fierce dedication to player development. A great benefit of the Academy is that it will begin a relationship between coach and player that will last many years, as each player progresses towards high school.

In addition to our Montgomery week, which will run from August 3rd-August 7th, I am very excited to announce that we will be continuing to offer a second week in Flemington at Hunterdon Central High School. This week will be from June 22nd-June 26th. The week will include a number of Hunterdon Central soccer staff members, as well as local high school coaches and players. I am thrilled to continue the relationship with the surrounding Flemington soccer community and look forward to once again bringing the Academy to the area.

Finally, the Jeremy Beardsley Soccer Academy will be continuing the Academy Cadets program in Montgomery. This program offers a mini-camp for players ranging from ages 5-7. From 9:00-11:00 each day, players will be exposed to the fundamentals of the game in a fun and exciting manner. Each player will receive an Academy T-shirt and size three soccer ball. Last year was our first year starting this introductory program and we hope to build on its terrific success.

I look forward to making this fourth year even more incredible, and I thank you for sharing in my passion and mission to develop soccer players to their absolute potential.

Fees

Full Academy

\$310 Registration & Payment postmarked by May 1

\$335 Registration & Payment postmarked after May 1

Cancellation Policy

Written notice of cancellation must be received at least two weeks prior to the start date in order to qualify for refund. Refund is limited to sixty percent of tuition. No refund or credit is available for individual days absent or canceled due to weather. If the entire week of the Academy is canceled, credit for the following year's tuition will be given.

Parent/Guardian Consent and Waiver

I, the undersigned, hereby certify that I am the parent or legal guardian of the camper. I hereby give permission for the staff of the camp to seek, during the period of the camp, appropriate medical attention for the camper and for medical attention to be given and for the camper to receive medical attention in the event of an accident, injury, or illness. I will be responsible for all costs of medical attention and treatment. I understand that soccer is a physical sport and that injuries can be a consequence of participation in this activity and no amount of reasonable supervision or use of facility will prevent injury. I have carefully considered how the possible consequence of injury may impact my child's life, and I choose to accept this risk and allow him/her to participate in the designated activity. I also understand that there will be a number of children attending camp, and there will be a limited number of head coaches and assistant coaches, and that our child cannot receive individualized attention and supervision all the time. I certify that my child(ren) is/are in excellent physical health and mentally capable of participating in soccer and camp activities. In accepting the aforesaid risk, I expressly and explicitly release, waive, and forever discharge any and all responsibility of the Jeremy Beardsley Soccer Academy, its staff, employees, officials, agents, and representatives of any and all of the foregoing, pursuant to, or pertaining or relating to, or arising from, in any manner, injuries to my child as a result of his/her participation in these activities. I, the undersigned, hereby certify and give permission to the Jeremy Beardsley Soccer Academy to use any group or individual pictures taken during the week to be used for promotional purposes.
